To place an advert in The Baytown Chronicle,
email editor@bay.town

GUIDELINES

- For best results, artwork should be submitted at 300 DPI
- Full page and half page adverts should keep a 3mm safety margin around the edges to prevent important elements like text from being cut off.
- Small text on top of a photo may be hard to read at the smallest sizes, you may want to consider using a larger format
- Placement of adverts is subject to the editor's discretion
- Submit your design by the 17th of the month to be included in next months edition.
